Education
2017: Completion of twelve years of study, Begin High School, Rosh Haayin, full matriculation, expansion majors in administration and economics and chemistry.
2020: Beginning of the degree in Information Systems (BSc) - Duration of studies three years - Ending first year with an average of 98.81, today begins second year.

Military Service
2017 - 2020: Fighter in the Paratroopers Brigade - Infantry. As part of the job, I underwent training for a fighter that included a track for a year.

During my service I made arrests and for a while I was the front command squad of the company commander in the Lebanon line.
The job required working in conditions under pressure and meeting goals in the short time that could be achieved.
For my dedicated work I even received a certificate of appreciation and excellence as a combat driver from all front command classes.

Languages
Hebrew - mother tongue English at a good level.

Computer programming / knowledge:

HTML5	HTML	SQL
SCSS	CSS	MYSQL
ES6	JAVASCRIPT
